

# Let the Games Begin!

## Blackjack Tables - 6 ft x 4 ft

Blackjack is the most popular and least imposing casino game of chance. Play your cards against the dealer, and with the grace of the casino gods, you'll come out ahead. Our tables hold 7 guests each, and our knowledgeable dealers will help you decide what to do... Stand or Take a Hit!

## Craps Tables - 16 ft x 6 ft

You will find the best odds here at the Craps table. However, not many people are familiar with the rules of the game, and that's where our staff excels. Our staff will be happy to review the basics of the game. After a while, the new "experts" are addicted, and the chips are soon covering the table. Craps tables can hold approximately 15 players.

## Roulette Tables - 8 ft x 4 ft

Oh, those tense filled moments as that ball takes a spin around the wheel. Our roulette tables are large enough to accommodate about 8-10 players at any given time. Our staff will offer helpful hints and strategies to this popular game.

## Texas Hold 'em Tables 8 ft x 4 ft

A game that everyone is familiar with... Texas Hold 'em is played 8 guests to a table with 1 Corporate Follies dealer to spread out the winning hands. Texas Hold 'Em or Standard Poker available.

## Money Wheels

### 60" Wheel on 9 ft Stand & 6 ft x 4 ft table

Our 60" money wheels have slots around the perimeter for Jokers, \$1, \$2, \$5, \$10 and \$20 bills. The gambling table has corresponding pictures of each of those bills. Guests place their bets on top of the pictures, and with a spin of the big wheel... Guests can win up to 40 to 1 odds!
